"Ghosts appear here inside in our lands. First they attack the borders of the central plains and then stretch their power and not a single soul has been spared from the terror... And will the same happen in the amount of time?"

"For a long and time there has been one evil, which will after another be revealed by God. The foundation of the central plains it will soon not have the strength and the optimistic spirit. The people's heart is the only way to control the world."
